

The SS St. Anastasia sails again on February 4th!
Be there before we weigh anchor!

Ahoy me hearties! The SS St. Anastasia is set to leave port on its annual, though somewhat early, Valentine Cruise. As some of you may know, the good ship has been commandeered by the Knights of Columbus and some of the old crew walked the plank. Please join "Captain J.J." and the new crew as we once again "set sail" on another fun-filled evening on February 4th.

The SS St. Anastasia will dock at the Davidson Center with boarding beginning at 5:15 p.m. (**open seating**). Entertainment begins at 5:45 and dinner will be served at 6:15 pm sharp! Delicious dinner, dessert, games, and an evening of fun are on the itinerary all for only **\$20.00 per person!** (Wine & beer available for a donation.) This is a fundraiser for the Knights and all of our loot will benefit St. Anastasia Parish.

Bookings are limited and taken on a first come, first serve basis. Don't miss the boat - book your passage today!
