ATHLETIC RELEASE FORM

Sponsoring Parish: _____

Athletic Director's Signature: _____

In some instances it is necessary to obtain a written release from other sponsoring Athletic Directors. There are some parishes that do not accept out-of-parish athletes to participate in their programs for various reasons. In those cases you must obtain a written release from that Athletic Director. This form is meant to reduce your efforts and the amount of paperwork that you must submit to the CYO Athletic Department. This form in no way allows any more flexibility to the present CYO Athletic Department eligibility rules.
