ATTENTION EVERY VOLUNTEER!
Safe Environment Training
We are ALL God's Children!

All adults who volunteer in our parish must receive Safe Environment training in a workshop called "Protecting God's Children" or "PGC".

This training is:

- To help protect vulnerable adults & children
- Mandatory for all volunteers serving anywhere in the AOD
- Free through a website called VIRTUS at www.virtus.org

If you have already attended a PGC workshop,

please keep reading: You will need Recertification Training! It also means you already have a VIRTUS account with a User ID and a Password for your account (even if you don't remember what those are). If you don't remember, go to www.virtus.org, click on the blue "I Need Login Help" box (under the login box) & follow the instructions. If you remember your login info, please login to www.virtus.org and follow the prompts. Need other help? Please email helpdesk@virtus.org or you may email Maryann at mbrani@stanastasia.org.

If you have never attended a PGC workshop in the past,

you will need to create an account and complete training.

Safe Environment Training is so very important (and required) for our volunteers! We need you and your help and heart for others ... to take this mandatory training to help us keep all of our vulnerable adults and children in our community safe! Please go to www.virtus.org and create an account. Once you have created your account, save your login information and please follow the prompts. Need other help? Please email helpdesk@virtus.org or you may email Maryann at mbrani@stanastasia.org.

All Teens (ages 14 – 17) who volunteer at St. Anastasia must create a Virtus account in the same way as adults using the guide above. Teens will be assigned the "Healthy Relationships" workshop – which is a 35 minute, online workshop.

Children 13 & under: Are with adults/chaperones and do not need to take Safe Environment Training at this time.

If anyone has any problems, questions or concerns, please email helpdesk@virtus.org or Maryann mbrani@stanastasia.org. We want to help you!
